

1 SCENE ONE: INTRODUCTION

coloured screen voice over narration begins

NARRATOR

Hello and welcome to this instructional video on How to handle a situation with a blue light vehicle.

2 SCENE TWO: FREAK OUT TRIANGLE

BIRDS EYE VIEW

open to triangle in car being approached by blue lights then panicking in car.

NARRATOR

Its common for people to panic or freak out in situations like these.

It's important to remain calm and to take simple actions. Here are some of the basics:

3 SCENE THREE: SQUARE GETS RUN OVER

BIRDS EYE VIEW

we see a car on the side of the road and a ambulance pulls up behind him there is a small pause and the ambulance over takes him quickly.

NARRATOR

When an emergency vehicle is approaching behind you, keep at the speed limit. They will overtake when it is safe

CUT SCENE

scene resets we see the same car again being approached by blue lights this time the driver panics and drives onto the kerb landing on a pedestrian (square man)

NARRATOR

however if you try to make more space then needed you'll find yourself closer to pedestrians than planned.

(CONTINUED)

SQUARE MAN
[distant screaming]

4 SCENE FOUR: BREAK PILE UP

SIDE VIEW

a car is driving on the road and we hear sirens in the distance. As the car continues driving at speed limit the ambulance drives past with ease.

NARRATOR
When you notice the blue light driver its better to continue at speed limit and let them over take you.

CUT SCENE

same car is driving on the road and when the sirens approach they emergency stop the vehicle causing a pile up.

NARRATOR
please avoid harsh breaks otherwise you may encounter a too close for comfort interaction with your air bag.

5 SCENE FIVE: BUS LANE EXTRAVAGANZA

TOP VIEW

NARRATOR
Just because the bus lane is empty you shouldn't enter it, even if an emergency vehicle is present.

CUT SCENE

Car pulls into a bus lane. B.L.V passes car

SIDE VIEW

Driver smiles to self. Policeman turns up, knocks on window.

NARRATOR
Though you may not see anything inherently wrong with entering a bus lane. It's still illegal.

6 SCENE SIX: BROW OF HILL

[Insert View]

Car drives up hill with an emergency vehicle following behind. As the two vehicles verge onto the brow of the hill, the emergency vehicle overtakes when it's safe to do so

NARRATOR

If you find yourself on a hill with an emergency vehicle behind you, continue at the speed limit they will overtake when it's safe to do so.

CUT SCENE

[Insert View]

Same scene but the car starts slow down, edging the E.V. to overtake.

NARRATOR

However do not try to edge the Emergency vehicle to overtake.

E.V. driver then sighs as a school bus full of orphaned children holding puppy's goes by.

NARRATOR

There's not only you on the road you know.
